

# CITY OF DREAMS

Intro-  
G D B

Verse 1-

How do we know when we have crossed the line  
Taking us on a journey to the sign  
How distant will this highway go for?  
Down to a city full of colours and dreams

**Chorus-**

**G D B A**

**How will you know? Where to go?  
When you stop at the end of the road  
The bright lights are blinding me  
As we drive to the city of dreams, the city of dreams**

Verse 2-

How do I know when I need to slow down  
I drove so fast that I didn't notice you  
Dazed by the distractions in front of me  
Don't let it stop me to conquer my fear to dream
